## Please Note

After this catalog was printed, the War Department took over the State Fair Grounds at Springfield and requested that we hold the Illinois Shorthorn Breeders' Show and Sale at some other location.

In this emergency, Thorp Metz, one of our members, has kindly offered the use of his well equipped farm at Williamsville, Illinois and his offer has been accepted.

Accordingly, this Show and Sale will be held at the Thorp Metz farm, Williamsville, Illinois, on Tuesday, March 31, 1942. This farm, better known as the old Ralph Taylor farm, is located one mile south and one-half mile east of Williamsville and nine miles northeast of Springfield.

Headquarters for the sale will be at the St. Nicholas Hotel in Springfield and the big Shorthorn Booster Banquet will be held at that hotel at 7:00 P.M. on March 30th, the evening before the sale.

Please advise as many people as possible of the change in location of this important sale.

## *Foreword*

As a means of promoting the breed and proving the superiority of Illinois Shorthorns, the new Illinois Shorthorn Breeders' Association was formed in the Spring of 1941. Allan Atlason of Edellyn Farms was elected president, L. E. Flanegin, Elmwood, vice-president, Prof. H. G. Russell, of the University of Illinois, secretary-treasurer, and ten leading breeders from widely scattered sections of the state were elected directors. All have worked untiringly for the improvement of the breed in the state. This show and auction sale, planned one year in advance, will be the means of demonstrating to the public the quality of the Shorthorns in the state. It is an all-out effort on the part of Illinois breeders. The 45 cattle that are to be sold were literally drafted from the herds of 27 highly respected breeders. All could have been sold easily at private treaty but the loyal members of this association have held them for this sale. Every entry was inspected and approved by Clem Larson, fieldman for the American Shorthorn Breeders' Association who is giving close cooperation in the management of the sale. A study of the catalog reveals the fact that every animal is of richest Scotch ancestry and all are sons and daughters of sires that have made breed history. There will be 26 bulls in the sale and they have been accepted only because of their outstanding individuality and their ability to improve the herds of all who are fortunate enough to buy them. The 19 females are a perfectly beautiful lot, capable of founding strong new herds or improving already well established herds. You are cordially invited to attend and you may travel a long distance without any fear of being disappointed in the cattle that are to be offered.

Brawith Browndale is a perfect dark red bull, well balanced and very true in his lines. He is short legged, deep, thick and stands on sturdy, well placed legs. He has good quarters and is well filled over the heart. His masculine head is hard to fault and his sire, a dark red, short legged bull is a  $\frac{3}{4}$  brother to Otis Carter's Brawith Boy of Sunset. The three top dams are exceptionally short legged, deep, thick, smooth cows that give a good flow of milk. Don't overlook this good show and breeding prospect.

Susanna's Dorothy E — Study the pedigree of this beautiful red heifer very carefully. She is a daughter of Imp. Susanna's Cruggleton and by the noted Cruggleton Command. This sire is proving to be one of the top breeding bulls in the state. Her three top dams were bred at Edellyn Farms and were daughters respectively of Raveni Leader, Browndale Count and Imp. Kingwood. It would be difficult to write a more beautiful pedigree.

Victoria 23d is a full sister to the bull that topped the Danvers Sale in 1941. She is a beautiful red in color and she has all of the quality and true Shorthorn conformation that would be expected from a heifer of her breeding. She is a member of the fashionable Clegg Victoria family and her pedigree deserves very careful study.
